Lee Shippey Writes On "Look-Sees"

MANY WEEKEND drivers seem to be utterly aimless, but they are not. Just let their car radios inform them that some disastrous fire, flood or accident has occurred within a few miles, and authorities beg that no one not personally affected go near that place to avoid obstructing the efforts of the police or firefighters or ambulances, and immediately the dull and listless faces of many of them will brighten and they will exclaim: "Let's go have a look at it."

They don't go with any idea of being helpful. They are not triggered by any purpose at all, but only by morbid curiosity.

No doubt they are indirectly responsible for many delays and obstructions which cause tragic losses and even deaths.

But they are so bored by their own stupidity that they simply have to dash to the disaster scene.

In short, it seems that about 20 per cent of us are natural-born get-in-the-wayers, no matter what distress our curiosity may cause.

Are you one? Just ask yourself, next time some one suggests dashing to a disaster scene.

CITY, STATE and national administrations are habitually looking for new ways of raising revenues. Five-dollar tickets handed out to every motorist who dashes to scenes of disaster which do not affect him might yield so much money that we could do away with some other taxes.

BIG CITIES continually have to raise more revenues because the annual budget for every department habitually calls for pay raises — even for mayors and heads of departments who already are getting more than they could earn elsewhere.

I'VE JUST READ "Decisions of Destiny," by Richard L. Tobin, which cites the decisions by American Presidents, starting with Washington, which vitally affected the course of our history.

In this year when we can expect many slugging political accusations it is interesting to look back and realize that our political leaders always have been saints and devils — saints to their followers and devils to their opponents.

Washington was accused of tyrannical dictatorship and Lincoln was pictured as a monster, even by opponents in his own party.

But it is encouraging to note that all of their great

Kiwanis Told About Power Takeover

Twelve planned steps toward Federal takeover of the investor private electric power systems of the country were outlined before the Sierra Madre Kiwanis Club at its Tuesday meeting by Robert H. Green, local manager for the Southern California Edison Co.

Denouncing what he called the further encroachment of big government on private enterprise, Green warned that there is a concerted effort under way which could lead to domination by the Federal Government of the operations of generating, transmission and distribution of electricity throughout the United States.

Fourth of July (Independence Day) is next Wednesday.

It's a day when flags (Old Glory) should be displayed by everyone.

It is hoped that within the next few months a tall, aluminum flagpole can be erected at the western apex of Kersting Triangle in Downtown Sierra Madre.

And from that flagpole in the center of this beautiful little Foothill City of Livability, the American flag will be displayed each day of the year from sunrise to sunset.

She Escapes

Woman Is Attacked By Youth

A youth, apparently 16 or 17, and seemingly a mental case, attacked Mrs. John (Alyce June) Davidson of 671 Mt. Wilson Trail, Sierra Madre police report, as she and her daughter, Nada, hiked along Mt. Wilson Trail, a short distance from the southern entrance.

The youth, according to police report, tore at Mrs. Davidson's blouse and was striving to yank off her brown plaid skirt, besides attempting to push her over a cliff.

At this juncture, Mrs. Davidson knocked him down and her screams, plus those of Nada, summoned her husband who was on the opposite hill.

THE YOUTH, wearing blue jeans, ran down the side of the hill onto Skyland Dr., thence down Orange Dr. toward Canyon Crest, where he disappeared. The young man first asked Mrs. Davidson if her husband was with her. She told him he was on the other side of the hill. Mrs. Davidson, suspicious of his questions, had told Nada to go to her father when the youth suddenly attacked her.

Police scoured the area but obtained no clue to the assailant. They are continuing the search.

Band Starts Its Season

The Sierra Madre Concert Band, comprising 50 amateur and professional musicians has started its annual series of Summer Concerts under sponsorship of the City of Sierra Madre Department of Recreation. This year the concert schedule includes five regular biweekly concerts and the annual concert at the Los Angeles County Fair.

The band is directed by Ross E. Davis who is director of the Azusa High School Band. Before coming to the Sierra Madre Band, Mr. Davis directed the Elkhart, Ind. Municipal Band. Musicians who are interested in playing for fun and recreation are invited to attend rehearsals which are held every Wednesday night from 7:30 to 10 p.m. at Sierra Mesa School, 160 N. Canon Ave., Sierra Madre.

Further information may be obtained by calling R. P. Mathison at SY 8-7660 any evening.

Sierra Madre News Street Sales Triple

In two and one-half years street sales of the SIERRA MADRE NEWS have tripled. The high peak was reached last week.

This is a remarkable record for any newspaper, particularly in the small city weekly bracket.

It bears out the motto of this newspaper that it is "The Best Little Newspaper in the Southland."

Also it bears out the fact that the SIERRA MADRE NEWS is the best advertising medium in Sierra Madre, Hastings Ranch, Sierra Madre Villa, the Oaks-Highland and Rosemead-Foothill districts.

In this field, 6,350 copies of the SIERRA MADRE NEWS are delivered to the 20,000 inhabitants of the area. This greatly exceeds the circulation of any daily, including the Los Angeles and Pasadena dailies.

PLACE YOUR ADVERTISING TODAY WITH THE SIERRA MADRE NEWS! IT GETS RESULTS!

WOULDN'T THAT be a splendid patriotic gesture for Sierra Madreans who love this city of ours?

And wouldn't it be fine for the thousands of tourists and visitors who pass through our city to know we think enough of America to display Old Glory daily?

To accomplish this \$1,000 is necessary. Will YOU each give One Buck (\$1) toward the DON JACKSON-SIERRA MADRE NEWS FLAGPOLE FUND?

The SIERRA MADRE NEWS last winter and spring fathered the Search and Rescue Team fund,

mostly in \$1 contributions. In this more than 1,100 people contributed and we believe that through the same method the much smaller amount—the Rescue Team Fund reached \$2,400 — of \$1,000 can be quickly raised.

We'd like to see this accomplished by July Fourth, so sit down today and mail in your \$1 contribution to the DON JACKSON-SIERRA MADRE NEWS FLAGPOLE FUND, care of the SIERRA MADRE NEWS, 9 Kersting, Sierra Madre, Calif. It certainly will be appreciated.

Or equally as well, bring it personally to the NEWS office — we'll be glad to greet you.

Of course, there are no limits to what you may contribute, amounts of \$1 to \$1,000 will be acceptable.

YOUR NAME AND ADDRESS will be recorded in our Fund Book and this will be placed in a special compartment at the base of the Flagpole at special dedicatory ceremonies.

WILL YOU GIVE ONE BUCK FOR OLD GLORY?

Will you honor July Fourth in this manner? We do hope so. Thanks a lot.

Folk Songs For Families

Bowl Family Night On Friday, July 20

By Toni Maurin

Is there a person alive who doesn't warm to the strains of an old and cherished folk song? These homey songs with simple, understandable themes.

For this reason, the Hollywood Bowl is devoting the entire evening of Friday, July 20, to just such a program. You'll hear Miriam Makeba, the Smothers Brothers, David Guard and the Whisky Hill Singers, and for a special added attraction, Marais and Miranda. It's

YOU WON'T have to hitch a ride to the bowl. All you'll have to do is make advance reservations and you'll ride in style in a big yellow bus that will take you there and bring you home safely.

Pack a picnic lunch and take along or, if you like, eat at one of the many concession stands in the bowl area. Just don't deprive yourself of an evening of pleasure.

Your Foothill Hollywood Bowl Committee has chosen this night as our Foothill Family Night. This is the kind of music that goes with tradition. It goes with growing up and with memories. It's everybody's music.

TICKETS for this program are just \$1.50, plus an additional dollar if you ride the bus. Just \$2.50 in all for such fun. Turn to Page 10

State Pension Plan For Employees OK'd

The constant battle between Atty. Noren Eaton, former councilman, and City Administrator Lawrence C. Bevington, flashed anew during Tuesday night's Council meeting before a sparse but enthusiastic audience, this time over Sewer District No. 77.

As a result of charged irregularities hurled by Atty. Eaton, completion of the sanitary sewer in this district is in jeopardy.

Atty. Eaton questioned the validity of the sewer petition, indicating that in his belief there had been a withdrawal of names and that the petition filed is not sufficiently adequate under the law.

There was considerable cloudiness about the exact date of filing, with May 28 as the probable date. Sixty per cent of names of property owners is necessary for formation of a sewer improvement district.

In the end the dispute was put over until the next regular meeting — meanwhile, an effort will be made to clear up the filing date and number of signatures.

ATTY. EATON and Bevington also clashed over a letter from Paul Bauman, hydraulic engineer, suggesting more attention be given to utilization of cesspool water as a usable element. At one juncture, Atty. Eaton, asserted that the remarks of Bevington and Mayor W. Webster Vannier "didn't make sense."

Council approved a State Pension Plan for some 47 city employees. This will cost around \$16,440 a year or a tax rate of 10.5 cents, somewhat less than the partial plan now in operation through a private company. The City Employees Association previously had approved the proposal.

The Skyland flood control plan, and possibly the Michilinda and N. Sunnyside situation will be considered at an adjourned meeting of Council this Friday night at 8 o'clock.

COSTS of these proposed improvements, now fixed at around \$150,000, exceed considerably the original estimates of \$80,000, and would mean a boost of around 20 cents per \$100 valuation in the city's tax rate.

Whether the Skyland installation will be debris control or a system of water carry-off, or both, will be considered at the meeting.

MR. YUNK and Bernard Stark, co-developers, said that they had spent more than two years of research and planning before beginning construction on the 45-unit, 1 1/2-acre complex which covers ground formerly used as a parking lot for the Pacific Electric Railway.

Foxton's Dodgers Capture Little League Pennant; Minor All-Stars Also Win

By Phyllis Lennet

Heasley Field was setting for a big week in Minor and Little League baseball. Al Foxton's Dodgers took the Little League pennant, and the Minor League All-Stars took Toy and Patio Village's Red Sox. This week promises to be equally big as the managers pick the All-Star Little League Team, and the Minor League All-Stars play Sierra Cycle Shop's Mounties.

Ending Little League's 1962 season were three playoff games. Osi's Nursery's Orioles took the Dodgers, 11 to 4, which decided their rain-out game. Two exciting sudden death playoffs broke an 8-to-8 tie between 7 Up's Indians and the Orioles, which the Indians took, 12 to 8; and a 17-to-17 tie between the Dodgers and Red Sox, which the Dodgers won, 21 to 17.

THE 1962 Little League pennant was won by the Dodgers, who were two games in front of the second place Orioles. The championship Dodgers were sponsored by Al Foxton Chevron Service and managed by Bert Embree, Sierra Madre fire marshal.

Bert was capably assisted by Boyd Smith, Sierra Madre city building inspector, and Peter Cowell as coaches. Scorekeepers for the Dodgers were Robert Ingram and Walter Richter.

AT HIGH NOON, Saturday, June 23, the Minor League All-Stars took Little League's Red Sox, 4 to 3. Managing the All-Stars was Sierra Madre Patrolman Len Carnighan, whose Mounties won the Minor League pennant for the 1962 season. Coaches included Joe Santonino, Mounties coach; Paul Westman, Little League president, and Bill Neely, manager of the Angels. Keeping score was Andy Estes.

TOY AND PATIO Village's Red Sox were managed this season by "Dekd" Dietrich and coached by George Fleming, Jim Cassidy and Jim Ross, who also kept score.

As Sierra Madre Baseball Association will not host their Area Tournament this year, the last game will be (Continued on Page 10)

Behind the Scenes in Business

By Reynolds Knight

NEW YORK—An increasing number of retired couples, host of new rental markets, long-term mortgage financing and development of compact modern conveniences promise stability for a business that has been traditionally erratic—the mobile home industry.

For years the industry has limped along with a small segment of the housing market; mostly people who wanted trailers for permanent occupancy. Last year trailer sales were lowest since 1955.

But development of new markets promises a turn for the better. More and more elderly couples, searching for warm climates and low cost, dependable housing, are finding mobile homes the answer to their needs. The industry also has moved to capture a larger share of the \$1-billion-a-year rental market. This encompasses trailers used as temporary banks, college dormitory wings, construction site offices, and even semi-permanent industrial office facilities.

New financing arrangements have opened the market for many new buyers who now can get long-term loans rather than the short-term notes usually required of trailer purchasers. Modern conveniences and well-planned living spaces also add to the appeal of new mobile homes.

THINGS TO COME—A vending machine that produces enlarged photographs from small film negatives has been developed; black-and-white photos enlarged up to four times negative size can be made in 15 seconds and cost 25 cents, the maker claims.

A device worn like eyeglasses that reportedly cuts up to 97 per cent of headlight glare during night driving has been marketed by a Massachusetts firm.

vide as good a protection in the unimmunized as antitoxin, but without its attendant dangers.

Best protection of all, however, is active immunization with prophylactic tetanus toxoid. No one at all, whether young or old, should be without it.

A pamphlet giving additional information on tetanus will be mailed to anyone who sends a card of request to the Division of Health Education, Los Angeles County Health Department, 241 N. Figueroa St., Los Angeles 12.

Tetanus: Serious and Often Fatal Disease Preventable If Proper Steps Are Taken

By K. H. Sutherland, M.D.
Los Angeles County Health Officer

Tetanus is a most serious and often fatal disease that is preventable.

Approximately 500 cases occur in the United States each year and the mortality rate, which varies according to age and other factors, averages about 35 per cent.

Even though tetanus is comparatively rare in occurrence, so high is the death rate and so dreadful is the nature of the illness that too much emphasis cannot be placed on the necessity for obtaining protective immunization against the disease.

The causative organism of the disease, the tetanus bacillus, gains entry into the body through a contaminated wound. If the injury is deep or the wound becomes airtight, the bacilli produce a powerful toxin or poison that acts on the central nervous system causing the symptoms of tetanus. When in the presence of air the bacteria are harmless, and are often found on fruits and vegetables.

ALTHOUGH DEEP wounds with tissue destruction provide the ideal anaerobic or airless conditions favorable for the growth of these bacteria, tetanus may also follow minor injuries such as a scratch or other trivial wound and, less frequently, superficial burns or abrasions.

After release of the toxin, signs of illness appear anywhere from three days to three weeks or more, with an average of about ten days. Early course of the disease may be prolonged or abrupt. Difficulty in swallowing, apprehension, and restlessness are common.

Stiffness of the jaw and neck may progress to a spasm which results in trismus or lockjaw, which may also later involve other muscles of the body, are often provoked by the slightest noise or movement or even by light.

POSSIBILITY of recovery is generally less likely if symptoms appear early in the incubation period (soon after infection), and this is also the case when severe spasms develop soon after the first signs of the disease appear. If the patient lives through the first week or 10 days, chances for recovery improve. Illness in those persons surviving generally lasts about three weeks.

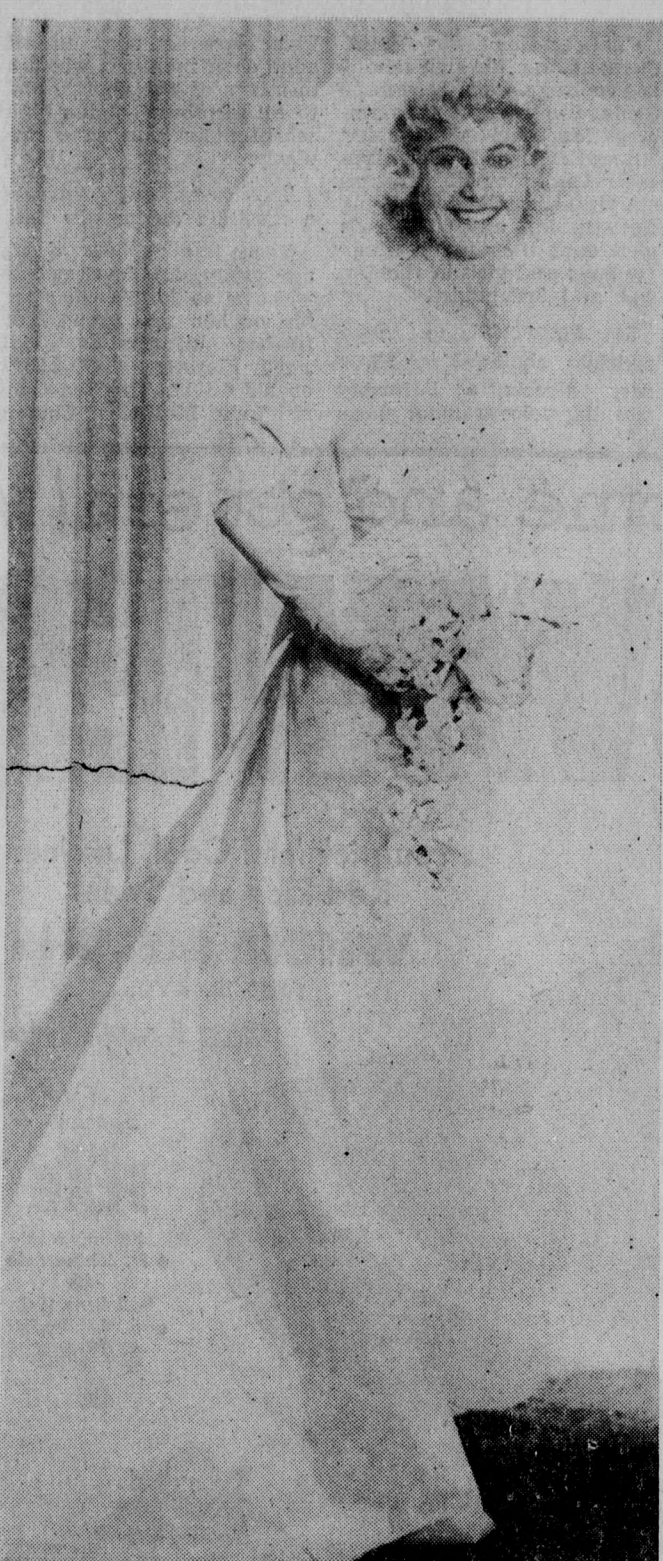

It is definitely better to

prevent the possibility of tetanus than to run the risk of getting it, and, almost without exception, the disease is preventable by adequate tetanus toxoid immunization. Following this, booster doses of toxoid to maintain immunity should be given every three to five years and at the time of any injury. All inoculated persons should carry this information with them.

In those cases where the patient is not immunized at the time of injury, tetanus antitoxin is frequently administered. Unfortunately, this is a horse serum product to which many persons are allergic (as high as 5 per cent) and the reaction to it may be so severe that it results in death.

Moreover, once used it may also sensitize the patient to any horse serum product that may be required in the future. A bovine preparation is now available for those persons known to be allergic to horse serum, but an individual allergic to one product is sometimes allergic to the other as well.

OWING TO the hazards connected with the administration of tetanus antitoxin, experiments are being conducted with certain of the antibiotics—notably oxytetracycline, and also hyperimmune serum globulin. In the opinion of some physicians, these substances pro-

(Joan Carol Kaponya)

Lovely June Ceremony Weds Joan Carol Kaponya to Leland Howard Peters

One of the loveliest June weddings took place in the Pasadena Presbyterian Church on June 2, when Joan Carol Kaponya became the bride of Leland Howard Peters.

The bride is the daughter of the Paul G. Kaponyas of Santa Anita Terrace, Arcadia, and the bridegroom the son of the Honorable Mayor Howard Peters of Glendale and Mrs. Lois Jackson of Whittier.

The wedding was solemnized at a 8 p.m. candlelight service, with Rev. Mr. Ray Dollenmayer officiating, and

with 450 friends and relatives attending.

THE BRIDE was given in marriage by her father, and Miss Jon Davies attended her as maid of honor. Best man was Daniel DuBois.

Bridesmaids were Misses Carroll Brown, Tony Reynolds, Kay Frandsen, Sylvia Siffkin, Carol Katz and Judy Pacino. Miss Lisa Ann Clark was junior bridesmaid, and the bride's cousin, Miss Debbie Lewis, flower girl.

Ushers were Joe Thompson, Cap Cornell, Jerry Hill, Clyde Glass, Bill Rapp and the bride's brother, Paul Kaponya. Robert Lewis and William Trindle were junior ushers. Ringbearers were Curtis and Chris Cornell.

Mrs. Les Stiles attended the wedding book and Mrs.

This is the first such affair sponsored by this recently organized council. All friends of the Knights are cordially invited. Donation is one dollar. Prizes will be awarded and refreshments will be served late in the evening.

THOSE WORKING on committees include: tickets, Donald Warfel, Richard Judge, Frank McNamara; bridge, James Burke, Joseph Delgatto, George Matakovich; canasta, William Boardman, Dr. O. J. Klejnot, Frank Casso; gin rummy, Fred Scott, Larry McGinnis; Henry Nuetzel; pinochle, John Cassazza, Virgil Archambault, Kevin Kirsch; prizes, Robert Van Ness, Edward Nellissen, Charles Waters; refreshments, Donald Termath, Anthony De Pasco, Louis Venegoni, Anthony Lando.

Tickets may be obtained from any Knight or member of the committee. Further information may be had by calling ELgin 5-0474.

Cemetery Fence Damaged by Car

Miss Nina Neale of the Cemetery Association reported to police that a part of the new fence erected along the east side facing Coburn Ave., has been damaged, apparently by a car backing into it.

Andrea Wright served as gift girl.

THE BRIDE'S wedding dress was a floor-length taffeta which was trimmed with hundreds of tiny seed pearls and fell from a bow at the waist. She wore a fingertip veil with pearl tiana crown and carried a bouquet of cattaila orchids and stephanotis.

Attendants' gowns were light pink taffeta in sheath style with trailing overskirt of shocking pink, and the matching veil fell from a single rose headpiece in shocking pink. They each carried a classical bouquet of long-stemmed pink roses.

THE RECEPTION was held in the church parlor and patio, where Mrs. Kaponya received guests in a pearl de sole gown of delf blue, with matching accessories and white orchid corsage. Mrs. Jackson was costumed in an aqua chiffon gown, with hat of same hue and white orchid corsage.

Upon returning from their honeymoon, the young couple will reside in their new home in San Geronimo.

Grow a Mural of Color

Number, Beauty of Vines Available to Californians

Vines give the gardener a wonderful means of "painting" bright murals on the walls of his garden. They are easy to grow and care for, being, if anything, almost too eager to please. And the palette of colors from which you can choose would fill any true muralist with envy.

Southern Californians, especially, are favored in the number and beauty of vines available to them. From the sedate white masses of star jasmine to the dazzling beauty of a bougainvillea, the vine selection runs a gamut of colors and types that is unmatched in any other section of the United States.

MOST POPULAR flowering vines offered by California Association of Nurserymen members includes the yellow-flowered Carolina jessamine, a profuse summer bloomer; angel wing jasmine with its large, heavily scented white pinwheels; lavender trumpet vine and scarlet trumpet vine; giant Burmese honeysuckle and the more hardy Hall's honeysuckle plus those mentioned above star jasmine and bougainvillea in its many forms.

Bougainvilleas by their tradition here deserve a sunny corner of your garden. They are ever in the process of development, and if you haven't checked the new ones recently, it's time you did. Most talked about bougainvillea of recent years is the striking Texas dawn, a pink to rose introduction of a few years back.

Latest sensation, however, is crimson jewel, which is more bush than vine and can fill a bed in the foreground of a wall with moulding masses of red.

WITH BOUGAINVILLEAS, as with all vines, you get

better results—better murals—by properly supporting and guiding the vine growth. Nature's way is to let the vine scramble, but such a method encourages excessive dead wood as the vine matures. And it sometimes discourages a vine from ever getting off the

Something has come to my attention this week that made me stop and think a bit. Summer safety factor is a subject that can bear more than just a little education. There is little need to talk about importance of having adequate fencing around pool areas as well as keeping those areas locked from straying children. This is a law.

But what is a pool owner to do when in their absence a child climbs over the fence. The liability is ended when proper protection is made, but would that make it any more bearable if a child were found floating in the pool lifeless.

It is up to us as parents to educate our children like an eleventh commandment, "thou shalt not trespass over thy neighbors fence!"

This is not meant to be funny. You read every day about just such mishaps. "It happened here without serious conclusions." "It wasn't my child," and it certainly wasn't yours, but it might have been. Let's educate the kids before we have to cry!

IT IS A LITTLE late for Father's Day stories, but nevertheless, I'd like to tell you about one that kind of appealed to me.

John Kariotis of Barhite asked his wife if she'd mind if he gave his young son Johnny a graduation party (from nursery school, that is) on Father's Day.

She didn't, so he did. He not only planned the party, but prepared all of the food, including a cake for the occasion.

Young Johnny invited some of his favorite friends. Included were Ann Dorsey, Kim and Hal Dunning, Mark Wenger, Eric Maurin, Tod Hoffman, Cindy Blumquist and Eric Moore.

MR. AND MRS. WILLIAM KELLEY of Mesaloe Lane left last Monday for a nine-week trip to Europe that will take them over most of the Continent. They took with them their son, Mike, and Clark Rose, son of Mr. and Mrs. Tom Rose of Upper Hastings.

Both boys will be 10th grade students at La Salle High School in the fall. They left by Sante Fe for New York where they spent a couple of days before sailing out on the United States Line for Southampton. Inasmuch as they are all four avid golfers they decided it would be fun to go to Scotland, home of the original golf game, and to have a few rounds on their courses.

Among the many parties before their departure was one given by Mr. and Mrs. Ralph Barnard last week. There were all sorts of significant decorations around to herald the coming trip, but one of the nicest things of all was a large balloon equipped with a small basket full of money for their son Mike, as a going-away present.

Guests were Mr. and Mrs. Hal Bucher, Mr. and Mrs. William Nash, Mr. and Mrs. Karl Deitzel, Mr. and Mrs. William Morse and Mr. and Mrs. John Wilfong.

THE ALPHA PHI Collegiate from the San Gabriel Valley were honored last week at a poolside party given at the home of Mrs.

Leslie Garlinghouse of Sierra Madre Villa.

The Collegiate, now home from various colleges, met informally for a buffet luncheon and swimming. All arrangements for the luncheon were made by Mrs. Ted N. Spence and Mrs. Prentiss C. Hale. There were around 50 guests.

THE HOME OF MAJ. and Mrs. John Simpson of Sierra Madre Villa, was the scene of a gala cocktail-buffet, poolside party honoring a group of the younger set, recently returned from a two-week Island holiday.

The Simpsons had as their house guests, Col. Livingston B. Steadman, U.S.M.C., and Mrs. Steadman, who came down from San Francisco for the party. Capt. A. O. Mathiesen and Chief Engineer L. Dundsky of the S.S. Lurline were also there to renew voyage friendships.

The younger set were the Robert T. Russells, William W. Lawsons, David Anderson, David Lloyd, Richard cer, Robert Carson and Philip Jaffe.

In addition there were the George Stasands, James Inghams, M.D., Dreyfuss's, H. Lee Spencers, Harvey Lee Moores, Ernie Punkerts, Henry Mertons, Nolan Alens, and Count Lonyay.

MRS. SKIPPER ROSTKER of Barhite had a coffee slatch last week in order to introduce her new neighbor, Mrs. William Casler. Although there were many more invited than were able to come, Mrs. Casler met quite a few of our local matrons.

Those there were Mrs. M. H. Simmers, Mrs. Art Brearley, Mrs. John Kariotis, Mrs. Philip Sureman, Mrs. Irving Chen, Mrs. Joseph Koerntgen, Mrs. George Wenger, Mrs. Harold Berg, Mrs. H. A. Switzer, Mrs. F. H. Webb, Mrs. Theodore Topits and Mrs. Arthur Laufer.

MR. AND MRS. WILLIAM CASLER have just recently purchased what used to be the old Sierra Madre Lodge at 3487 Barhite. They are presently living in the little guest house on the property while they completely renovate the old homestead.

They have five children, ranging from 18-year-old Kathy who just concluded her first year at the University of Portland; Ann, 16, Ken, 14, Barbara, 11, and finally, Steve, who is nine.

Mr. Casler is the new assistant director of research at the Azusa branch of Aero Jet. He was formerly with the Stanford Research Institute at Palo Alto.

Hobbywise they are, out of necessity, going to be interested in interior decorating and remodeling for the next few months. Other than that they both love gardening, and I understand Mrs. Casler sews a mighty fine seam.

THERE ARE A LOT of sad people up Sierra Madre Villa way. Seeing the Jack Pas-

chall, Jr. family move out bag and baggage left a void that will never be filled. They have bought a lovely home with five acres of land to house their family and horses and animals.

For your Christmas card list the new address is No. 3 Deodar Lane, Bradbury, Calif.

Trade places with the other fellow once in a while and you'll realize what a poor trader you are.

Woman Is Found Dead at Home

Mrs. Shirley R. Williams, 39, who had been ill for some time, was found dead in the home at 231 Chaparral, Tuesday, when her husband, Hadley, returned home from work. She had been employed for some years in the Consulting Service for the county in Los Angeles.

Ranch Roundup

By
Joyce Wenger
SYcamore 8-4777

Concern for young David Seiler is foremost in our minds this week. Last Sunday David got hold of a 22-shell and decided to experiment by striking it with a hammer. A piece of the shell casing pierced deeply into his right eye, causing serious damage. Doctors at St. Luke Hospital operated but were unable to retrieve the metal fragment. At the moment, the situation appears most serious.

Meanwhile, Crestview neighbors are helping to keep things running on the home front for the Seiler's six daughters, so that Dorothy and Dayton may spend every possible moment at their son's bedside.

Today is David's seventh birthday anniversary. Perhaps we can all help by sincerely praying for a miracle that will save David's right eye and prevent infection from spreading to the left eye. The words "Happy Birthday, David" needn't sound so hollow if accompanied by our prayers!

ON THE LIGHTER SIDE: Hamilton park's tennis courts still lure Melva Trent, (now living on Mountain St.), and Bette Robison, (who left the Ranch for Arcadia), back to play regularly with Penny Carley, Barbara Victor, Helen Krugman, Dixie DuBois and B. J. Donald.

PEGGY SMYTH gave a coffee last week to launch her latest project. Plans were made for the fall opening of "Costume Corner" for the benefit of the Pasadena Child Guidance Clinic. Assisting Peggy are Pam Worden and Jeanette Davidson, (the latter lives in the Ranch but represents the Arcadia Auxiliary).

The costume sales and rental department will be located in the Guild's Thrift Shop and the girls are eager to have it well stocked before the Halloween rush. So if you have any costumes to donate for this worthy project, call Peggy Smith, EL 5-6514.

HERE'S A SWITCH: When

Mr. and Mrs. Larry Van Winkle, (she's Warren Newton's sister), arrived for a visit, THEY took Marty on her first trip to Disneyland—and she had a ball! Mr. Van Winkle is a supervisor at Boeing Aircraft in Seattle and Marty jokingly says, "the Newtons will have to visit the Van Winkles in September and take them to see the Space Needle."

Although their mother is a former Alhambra girl, it's the first trip to the Southland for 17-year-old Cathy and 12-year-old David Van Winkle. The Newtons also entertained Mr. and Mrs. Al Forman of Arcadia for dinner and reminiscing with their long-time friends.

SPEAKING of long-time friends: Meth Hackney has been getting together monthly for 14 years with eight friends, all wives of aviation executives. Recently Mrs. George Cussens, (wife of the Flying Tigers vice president), gave a birthday anniversary luncheon for Meth. Major topic of conversation when these gals get together is bound to be TRAVEL!

THE WILLIAM CAMERONS and the Robert Mardians jointly owned a beach house at San Clemente for six years, and claim it's a most satisfactory arrangement.

Mrs. Cameron with Jim, Barbara and Pam, plus Mrs. Mardian, with Bill and Tony, stay at the beach all summer, with the kids joining them on weekends.

Last week, however, the Mardian boys stayed in Pasadena to play baseball, and this provided Pam Cameron with the perfect opportunity (and space) to treat her friends to a beach vacation. Sunburned, but exuberant when I picked them up Fri-

day afternoon were, my daughter, Sherry, Carol Hurlig, Susan Sahm, Sandy Griggs and Arlene Nardillillo.

CINDY HYDE'S all-consuming interest is her horse, "Stonewall's Golden Ace," nicknamed "Buster." So it's perfectly understandable that she recently gave a birthday anniversary party for her horse, her riding teacher, and the teacher's horse. The party was staged in the corral, naturally, where three cakes were consumed and gifts opened. For-year-old "Buster" was formerly owned by Margaret Pyle.

THE NEEDLEWORK

BEA BINNS with sons, Jay and Byron, stopped by one day last week for a too brief visit with Ranch friends. Bea, one-time Don Benito PTA prexy, and her family live in Palo Alto now.

DEPARTURES from the Ranch this week include the William Morzovs to Fresno for the American Legion Convention. Peggy Bergh took off for the great state of Texas, to visit her mother. Sons, Gordon and Charles are making the trip too, leaving Mr. Bergh to mind the store! Rod Jones has been travelling between San Salvador and Nicaragua on business.

EVELYN AND GLENN WICKLUND and their five youngsters have moved to Connecticut. However it's unlikely they'll forget their Daveric neighbors. An album of Polaroid pictures of all the neighbors was presented to them at a coffee given by Lois Harrison and Vonda Stewart. Among the invited guests were Helen Glaser, Isabelle Goldsmith, Peggy Bergh, Emily Morzov, Marge Rowley, Jo Wells, Faye Katz, Vilma Potter, Jessie Code and Jean Nikola.

MOTHERS are meeting themselves coming and going these days. Running a taxi service for summer school, and, or, swimming lessons makes us wonder who said our activity tempo slows down in summer. I understand half the Ranch PHS students are taking a full course of biology in eight weeks, which carries a heavy homework schedule!

Angeles Forest Areas Are Closed

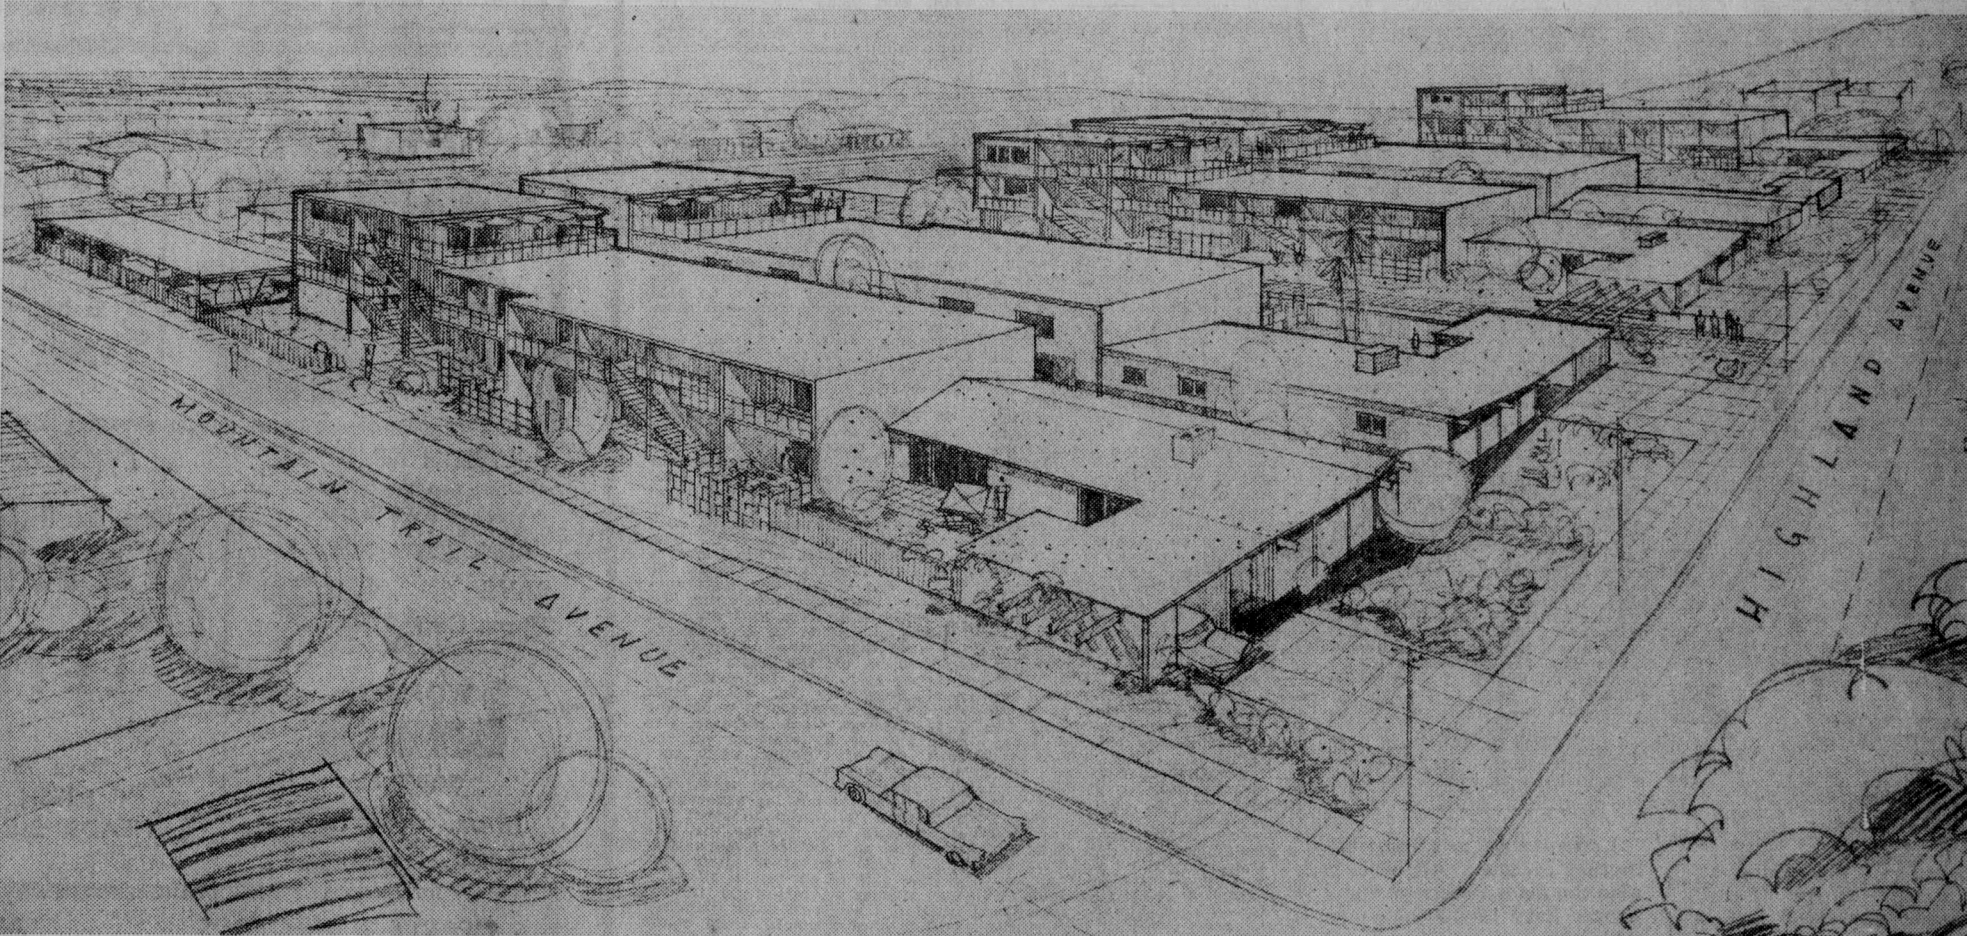

Fire hazard areas of the Angeles National Forest will be closed to public entry beginning Sunday, July 1, and continue until fall rains lessen the fire danger. Sixty-

five per cent of the Angeles National Forest remains open the year around for outdoor recreation and other uses.

According to Angeles National Forest Supervisor Simon Jarvi, those hazardous areas closed are the high value watershed slopes in the Na-

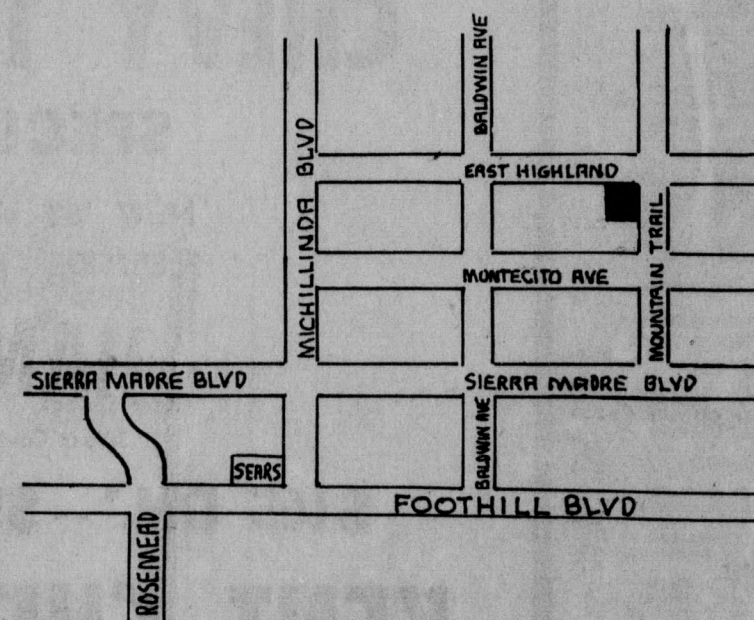

tional Forest above and north of Foothill communities. He said, "Fire closure are for two purposes, public safety and fire prevention."

Bevington Letters Stress Littering of Streets by Sierra Madre Residents

Cleanliness of city streets rears its head anew as a problem now that the Chamber of Commerce Clean-up Drive approaches and City Administrator Lawrence C. Bevington has something to say about it.

In a letter to John H. Curtis, Chamber of Commerce president, Administrator Bevington writes:

"ONE IMMEDIATE problem which has recently strongly come to my attention, and which is closely tied into the Chamber's Clean-up Program is that of the cleanliness of the sidewalks and streets in the Business District.

"As you probably know, the city sweeps the business area early in the morning several times each week and often within a few hours the businessmen in cleaning up their stores or the sidewalk in front of the store will have swept trash back into the street.

"Equally as damaging to the appearance of the business area is the habit of sweeping the trash into the tree wells in the sidewalk areas.

"NOT ALL of the business men are guilty of either or both of these practices, and I am sure we all can name individuals who are particularly careful to remove the trash and thereby maintain a clean area.

"OF COURSE, not all of come from such sweeping, but we all are aware that the public is more careful when the area starts out clean.

"The City would be quite receptive to any suggestions which the Chamber of Commerce might care to make as to the sweeping schedule, placement of trash recep-

tacles, etc., which will help to make our city a more attractive place to live and shop.

"Enclosed is a copy of a letter to the SIERRA MADRE NEWS requesting that they run an article on keeping the residential areas clean."

THE BEVINGTON letter to E.D.E. Herwig, editor of the SIERRA MADRE NEWS follows:

"Dear Editor: "In connection with the Sierra Madre Chamber of Commerce Clean-up Program, it would appear to be appropriate to call attention of residents to the fact that a few thoughtless people are contributing to the problem of dirty streets in the city.

"This contribution is made by the sweeping or hosing of leaves and dirt into the city streets where it is left for pickup by the street sweeper. Such action creates a triple problem:

"(1) Our schedule calls for sweeping each street once a week and the material therefore sometimes remains in the street for several days, and often is scattered for several properties by cars, etc., before it is swept up.

"(2) On those occasions when the sweeping schedule cannot be met due to equipment breakdown, rainy weather, etc., the material

may remain for longer than a week.

"(3) The sweeper is not designed to pick up real heavy loads and often the added material means the sweeping is not complete.

"WHILE it is true that it illegal to dump material from private property onto the public street, I do not feel that such an approach would be desirable unless the problem becomes extremely serious and that it would be much better to approach this from a matter of pride, etc.

HE HAS APPEARED on radio a number of times in debates on political and economic issues and has been active in improving the basic education of American youth.

This is the fifth program this year under the auspices of the club's business and public affairs committee. Kiwanians are urged to bring guests—let Dick Jenkins of the Calif. State Bar, close student of international at the house committee know their number.

Operation on Voorhees Successful

Edward L. N. Voorhees, formerly associate professor of English in Columbia University (Bard College St. Stephens College) has returned to his home, 58 W. Mira Monte, after an absence of 11 weeks, following eye surgery at the St. Luke Hospital, and the necessary interim of recuperation from near-blindness, followed by eye tests and spectacles, a period spent under the care of his sister at her home in Laguna Beach.

With frequent eye rests, he is now able once more to read and write.

During the 1940's and '50's, Mr. Voorhees was known to NEWS readers as the author, at intervals, of some 150 full length columns entitled "Around and About," based on his personal journal of observations and experiences in six vacation trips to Continental Western Europe and Great Britain, before World War II, and a seventh trip in 1956.

OTHERS of his writings published in the NEWS have included biographical sketches of distinguished Sierra Madre citizens, book reviews, reviews of many stage plays, reviews of several of the first City Hall exhibits by Sierra Madre painters, as well as the setting up and writing of more than a full page of the NEWS, during the editorship of Clifford and Lone Ward, their project to honor America's "National Art Week." The feature included personal interviews with nearly 20 Sierra Madre painters, with a photograph of a painting by each one, together with an historical sketch of the origins and growth of the writing, painting, and ceramics groups then known as (the Sierra Madre) "Arts Guild," under the leadership of Alfred Dewey, painter, and the sponsorship of Leslie Wynne, writer.

Park Library Venture Is Successful

Vacationing Sierra Madre boys and girls took enthusiastic advantage of the summer Park Library Service last Friday afternoon at Sierra Vista Park.

First borrower was Glen Carlson, 8, of 610 E. Sierra Madre Blvd. Popularity of this expanded library service was evidenced by the children who picked out their favorite authors.

Mrs. Gloria Hinshaw, children's librarian, will be on hand at Sierra Vista Park every Friday afternoon between 3 and 5 o'clock to offer this special service to Sierra Madre children for their summer reading pleasure.

IN ADDITION to Park Library Service, expanded library services include the Summer Reading Club for children held at the library. The Children's Library will be open from 1 to 6 every afternoon and on Wednesdays and Saturdays from 10 until 6.

Adults also are invited to visit our air-conditioned library for their summer reading pleasure. No change has been made in the adult library hours during the summer.

Pulone, chairman of Thrift Shop, John Dunker, assistant; George L. Fowler, press chairman; Andrew Gilman, social chairman, Earl F. Kavanaugh, assistant; John C. Adieu! God Bless You!

We have come to love many of you for you have been our people.

We believe that we have earned the respect of most of you.

This is our newspaper adieu to you, Mr. and Mrs. Sierra Madreans and you younger ones.

Reasons of health concerning the editor and publisher impel — compel — the sale of this newspaper, regretfully so, rest assured.

WE HAVE WORKED hard and long hours, "in the sweat of our brains and bodies" to make the SIERRA MADRE NEWS an improved newspaper, one worthy of the many fine citizens of this "Little Foothill City of Livability in the Sierra Madres."

We hope that we have succeeded and that this is our heritage to you, our readers in Sierra Madre, Hastings Ranch, Sierra Madre Villa, the Oaks-Highland and Rosemead-Foothill areas, for a newspaper must provide the light — and fight — if the people are to follow wisely.

For the ensuing year we plan to continue our home in Sierra Madre where we had purchased a home. After a month's rest here "pottering around and improving the property" we will travel about the Northwest, Midwest and East as far as New York City and Boston, then return to determine our future activities. All this, the Good Lord willing.

WE COMMEND to you the new owners and publishers, Mr. and Mrs. R. Robert Evans who come here from the ownership of the newspaper at Shafter, Calif. They are newspaper people, Republicans, thorough workmen and enterprising citizens. They have already purchased a home here and we are certain they will produce a tiptop newspaper of which the citizens of this community may be proud. We know that they will become one of you and that this is most important.

We cannot do justice to the loyal corps of workers who have stood steadfast by us in the production of this newspaper, the ideas and fight which have gone into it. Such men and women as Fred Schweppe, our plant superintendent; Leo Sharp, our rare, good, loyal friend upon whom we have leaned heavily at times; George Maurer, our linotype; Jim Anderson, our pressman; Dottie Underwood who has given us advertising support; Eloise Parker, our good-natured and competent classified girl; Toni Maurin, our enterprising Sierra Madre Villa correspondent; Joyce Wenger, our equally competent and alert Hastings Ranch correspondent; Martha Sharp who has assisted us many a time; Karen Thompson, our mailing girl, Tony Marr and Roy Jefferson, our newspaper distributors.

They have stood loyally by us, shoulder to shoulder and we wish their well with all of our journalistic hearts.

LIKEWISE we give thanks to such men as John H. Curtis, president of the Chamber of Commerce; Mrs. Lella M. Roberts, David Roess, Col. Walter D. Thurber, Harry Lange, Deane L. Damon, Rudy Hartman, Ralph Hurwit, Frank Dolph, Clay Reavis, Rev. Ray E. Hansen, Rev. Robert N. Schaper, Rev. George W. Lindsay, Rev. Harley Gibbs Smith Jr., and Rev. Thomas J. O'Malley, Joe Hinojos, Sterling T. Rippe, Postmaster Charles E. Louk, Joe Delgatto, and Russell Dumas, all fine patriotic citizens, plus a host of others who have given us of their support and encouragement in both dark and sunny days.

It has not been an easy task, this producing of a newspaper in a small city, but it has been most rewarding for we have been in contact with so many fine people. We will not forget you.

Hizzoner Pro-Tem

The SIERRA MADRE NEWS wants to congratulate Vice Mayor James F. Abernethy on the efficient, courageous and orderly manner in which he conducted the City Council meeting at which the troublesome Nuetzel apartment house project was considered at a two-hour public hearing.

There was no delay in presentation of arguments, and a thorough orderliness throughout — Vice Mayor Abernethy saw to that. Anyone getting out of line was yanked firmly back into an orderly and clear-cut procedure, even though this was accomplished courteously.

And there were no time-consuming, extraneous remarks by Hizzoner Pro-Tem — it was business throughout, sans parliamentary foliage. A little more such intelligent rather than emotional procedure during public hearings at City Hall wouldn't be amiss.

The 'Cool Generation'

Not so long ago, the Gallup Poll, commissioned by The Saturday Evening Post, made an exhaustive survey on today's youth. More than 3,000 boys and girls between the ages of 14 and 22 were interviewed. Dr. George Gallup and Evan Hill reported their findings on "The Cool Generation" as follows (we quote):

"NO ONE can say that the American youth is going to hell. He's not. But he is a pampered hothouse plant and likes it that way. The beatnik is a rarity, the delinquent is a minority.

Our typical youth will settle for low success rather than risk high failure. He has little spirit of adventure.

Teachers Association Sanctions Backfire

By Henry MacArthur
Capital News Service—
Special to the Sierra Madre News

SACRAMENTO—The California Teachers' Association has its fire fighting apparatus in action to attempt to halt the blaze of criticism which has broken out concerning its policy of penalizing school districts which do not conform to CTA standards.

It all started with what was hoped to be a controlled burn — just enough to keep the embers of loyalty and enthusiasm among CTA members glowing and to singe the hairs of school officials who felt they wanted to run their districts in their own way.

One of the problems which has kept controlled burning from being an accepted program for managing forest and rangelands is that they sometimes run out of control. This may have happened to the CTA.

The CTA reported in its own journal that a statewide program of "sanctions" had been adopted. It amounted to an agreement that school districts which did not toe the line on CTA standards would be listed as undesirable for CTA members to work in and that all efforts to recruit teachers

for the district would cease. Although the term "sanction" is more commonly used nowadays to describe of something, it also means to enforce obedience to rules and that's the CTA's use. The San Rafael Independent Journal noted editorially the danger that such sanctions might be used as blackmail and expressed concern over how a district, once put on the blacklist by the CTA sanctions, ever could get back into good graces, even though the procedures which did not follow the CTA line were brought into conformity.

THE CTA and various teachers' groups naturally have been vocal in springing to the defense of their sanction system. They have attacked critics with the same vigor they attack any critic of their policies or of education in general. At first they tried to palm it off as merely a criticism of Henry C. MacArthur, who apparently has a special place on a CTA blacklist.

But this wasn't the case as the opposition has snowballed. Arthur F. Corey, executive secretary of CTA, wrote a lengthy reply to attempt to justify the sanctions. First,

he claims that the medical profession will withdraw its services from hospitals if the permitting or approval standards of administration are considered detrimental to the best interests of the patients. This sounds like something in Corey's imagination as such is not generally the practice.

BUT THE REAL meat in Corey's letter indicates that the CTA has not been looking at election results lately, nor at the general attitude of the public. He said the role of the public and the profession in education never has been defined too clearly but the educators are being questioned more than normally.

"Many of our members are no longer content to accept a completely subservient relationship to the public," he said.

In other words, Corey feels the teachers and administrators think they know best how to spend the tax dollars and the people who pay these taxes have no business in suggesting how this be done. This is where a glance in the recent primary election should provide some handwriting on the wall for the CTA.

OUT OF THE COBWEBS

37 YEARS AGO THIS WEEK, Friday, July 3, 1925

—The timber fire in the Buckthorn Flat district on the north divide of the Sierra Madre Mountains is now under control, according to Ranger M. H. Davis who returned to Sierra Madre from that district Thursday afternoon. The timber is heavy in that region and the heat was so intense that the 50 men who were sent to the fire area had considerable difficulty in fighting the flames.

John C. Olsen, son of Mrs. H. P. Olsen, and Miss Letha Clouse of Glendale were married Thursday morning at Angeles Temple in Los Angeles with only the immediate families present. Mrs. Amy Sample McPherson officiated. The young couple have gone to Lake Tahoe for a wedding tour. They will make their home in Pasadena where Mr. Olsen is in the grocery business.

19 YEARS AGO THIS WEEK, Thursday, July 8, 1943—Maj. P. B. Linville has been elected commander of Sierra Madre's American Legion Post, succeeding Capt. Harry E. Gabriel who has sold his home here and moved to Burbank to be nearer his employment at the Lockheed-Vega aircraft plant there. The post also elected Gordon P. Felts of 18 Vista Circle Dr. as chaplain, succeeding Maj. Linville.

Dale Williams, son of Mr. and Mrs. Harold Williams of 439 Mariposa, arrived home from his duties as seaman first class in the Southwest Pacific.

Phillip Ackley, hit by a Jap bullet in the Attu battle in which the Americans took Fish Ridge, was landed from a hospital ship at a northern port last week, and is now in a hospital at Modesto. He is the son of Mr. and Mrs. Fred Ackley, former

residents of W. Sierra Madre Blvd.

13 YEARS AGO THIS WEEK, Thursday, June 30, 1949—William E. Bowers of 686 Brookside Lane was awarded a third degree in Masonry on Tuesday night by the Sierra Madre Masonic Lodge, Bowers, who works for the Los Angeles Bureau of Water and Power in Seal Beach, received the degree of Master Mason.

Mrs. W. S. Hull of 542 W. Montecito and Mrs. Marian Galbraith of 97 W. Carter journeyed to Belmont Shore last Thursday and spent a pleasant day with Mrs. Newman Essick.

Mary Ann Woehler, daughter of Dr. and Mrs. John Woehler of 718 Mariposa, is spending the week with friends in San Francisco. Miss Woehler has just completed her dental hygiene work at USC.

7 YEARS AGO THIS WEEK, Thursday, July 8, 1955—Sierra Madre's most expensive piece of city equipment since 1928 when water pipelines were installed arrived at its station in City Hall yesterday afternoon in all its shining red glory, complete with all the modern gadgets, pumping equipment and siren. The city's new "firewagon" is here. Costing approximately \$29,000, the new truck will not be ready until the Crown Body and Coach Corporation has conducted classes to teach Sierra Madre firemen all the important details in the proper handling and use of the truck.

Dr. Raynor Smith, minister of the Methodist Church for the past two years, leaves Sierra Madre Sunday afternoon to take the pastorate of the First Methodist Church in Centralia, Wash., through appointment of Bishop Ray-

mond Grant of the Portland Area.

A crowd of almost 10,000 persons ignored a Southland drizzle to participate in the 8th annual "Family Fiesta" on the grounds of the Mater Dolorosa Retreat House, 500 N. Lima, last Sunday.

He wants to marry early — at 23 or 24 — after a college education. He wants two or three children and a spouse who is "affectionate, sympathetic, considerate and moral"; rarely does he want a mate with intelligence, curiosity or ambition.

He wants a little ranch house, an inexpensive new car, a job with a big company, and a chance to watch TV each evening after the smiling children are asleep in bed.

He is a reluctant patriot who expects nuclear war in his time and would compromise rather than risk an all-out war. He is highly religious yet winks at dishonesty. He wants little because he has so much and is unwilling to risk what he has. Essentially he is quite conservative and cautious. He is old before his time, almost middle-aged in his teens.

WHILE HE has respect for education, he is critical of it — as he is about religion — and he is abysmally ignorant about the economic system that has made him what he is and of the system that threatens it.

In general, the typical American youth shows few symptoms of frustration and is most unlikely to rebel or involve himself in crusades of any kind. He likes himself the way he is, and he likes things the way they are.

The United States has bred a generation of nice little boys and girls who are just what we have asked them to be and what we so frequently say they are not. They will one day shape the nation . . .

NOT A NICE picture, is it? Causes wonderment where is the pioneering spirit that made America a titan among progressive nations? Have we lost it for all time or will it return to us in times of critical stress and crises? Has mass living done this to our youth, and if so is there "an honorable courageous way out" for them amid the future decades. We hope so.

Dear Editor:

The Sierra Madre Chapter, Daughter of the American Revolution wish to express their appreciation for the notices you have so kindly placed in the Sierra Madre News.

The members, especially, wish to thank you, too, for the space you so generously gave to our notices these past two years.

Dear Editor:

It was interesting to read that no flags were on display around the Square on Memorial Day. Quite true as regards Kersting Court, but they were proudly displayed by the following: Union Service Station, The Buccaneers, Arnold's Hardware, Dumas and Son and the Veterans Headquarters just around the corner on Montecito St.

I personally made a survey around the south side of Sierra Madre and Mariposa St.—there were 7; Manzanita St. 8; Ramona, 4; Orange Grove from Lima to Arcadia County line, 12. In all I counted 127.

Our editor of the Sierra Madre News did not follow up his first display as the first editor of the Sierra Madre News who ever displayed Old Glory in his doorway last year on a national holiday.

In remembrance of that I sent him a new 50-Star Flag especially made to display in a doorway.

Crusaders come and go—with suggestions—such as water fountains and then a \$1,000 flagpole, by donations; perhaps many remember the old flagpole that was erected at W. Colorado St. and Orange Grove in Pasadena, only to be later removed to make room for progress, and I fairly predict that when our quaint little villagers and the sentimentalists over an old dying pepper tree have faded away, a new progressive generation will come along and remove the Old Square to give wider road space on Kersting Court, and intersection of W. Sierra Madre Blvd., construct a safety island where the Square was and erect not a flagpole but a four-arm light standard, an open sesame to progress.

THE SIERRA MADRE merchants donated the cost of the wornout 48-Star Flags and could do so again, costing a little over \$5 each from the wholesalers, and a fund should be set up with Veterans Headquarters that each Boy Scout who assists in putting out and taking in

The 50 stars represent 50 states, and each state has its memory of its boys who fought and died that every man, woman and child shall live in freedom and prosperity and that our heritage shall live forever in this Great American Union—I call them Death or Glory Boys of America, honored and mourned—now and forever.

Show your thanks and patriotism by displaying Old Glory on national holidays, especially Memorial Day, and just pause for a moment while doing so, look up to Old Glory and let these words come into your heart: I am with you Always, Old Buddy, God bless America. —RUSSELL G. DUMAS.

Dear Editor:

According to a popular nursery rhyme, "The King of France, with 40,000 men, marched up the hill and then marched down again."

Our President, with an inspiring transportation message, marched up Capitol Hill and then marched down again.

In this election year, Congress is anxious to appease vote - peddling pressure groups. These demand continued looting of railroads

Now It's the 'Bop'

Since all the younger generation is overboard on the bop, it's only natural that my teenage daughter wants me to learn to do a few steps. Being too embarrassed to go see a dancing teacher, I glued me eyes on television and watched the little experts.

After an hour of this I got the hang of it — the girls move their feet exactly like an old mother hen when she's scratching, and the boys seem to repeatedly wipe off their feet as if they were going in on a newly mopped floor. It's not difficult at all once you figure it out — just try it yourself. —FARMER McCABE (all rights reserved)

Officer Lindekens Rescues Gopher

An innocent enough gopher snake caused consternation the other day at the Dan Morris home, 462 Foothill. Mrs. Morris notified police that the gopher was stranded in their swim pool, then minus water, and couldn't get out. It was Police Officer Al Lindekens to the rescue. Climbing down into the pool he rescued Mr. Snake, then set him free in a nearby field. Gophers, you know, are non-poisonous and good fellows in destroying rodents and insects.

AUTO PARTS STOLEN
Parts were stolen from his car parked at his home at 582 Woodland Dr., according to a report made to police by John A. MacDonnell.

Rose Float Theme Will Be Selected

The Sierra Madre Rose Float Association will meet Friday, June 29, at 8 p.m. at the home of Mr. and Mrs. Chester F. Lighthizer, 100 Colony Dr., to begin organizing the many committees needed to build the city's Pasadena Rose Parade Float, and to select a theme for the float.

Theme suggestions still may be submitted to Bill Bennett, co-chairman, 110 W. Bonita Ave., based on the Pasadena Rose Parade general theme, "Memorable Moments." Two tickets to the New Year's Day Rose Bowl Game will be given to the person submitting the name accepted.

Sierra Madreans are most welcome to attend this important meeting and participate in this community project.

Council Meeting (Continued from Page 1)

Council passed a resolution commending Ed E. Herwig, retiring editor and publisher of the SIERRA MADRE NEWS for his reporting of its activities.

The question of vocal clarity of some councilmen's remarks again arose when Councilman Severin L. Sorensen objected testily but emphatically over the inability to hear his colleagues despite the amplifier system. This is a Councilman drawback long commented on by the SIERRA MADRE NEWS.

MRS. STANLEY D. (EDITH) FISH and Rev. George W. Lindsay, Congregational Church pastor, were reappointed to the Library Board.

Reappointees to the Recreation Commission are Al A. Foxton and George T. Fleming.

Councilman Frank R. Parks reported that he had met with most parties indigent to the proposed Suffolk St. opening, and that mostly, they wish this accomplished. He will continue his work in an effort to reach satisfactory agreements. Likewise, he will continue his work on the Jackson report recommending extensions of the commercial district on W. and E. Sierra Madre Blvd.

COUNCILMAN PARKS urged the ringing of bells from 12 noon to 12:05 on July 4 and a citywide display of the American flags. A resolution to this effect was approved.

A proposal that water for the Lilliano tract north and west of Stonehouse Rd., be supplied by Arcadia, will be studied. Here the matter of fire protection liability entered and Administrator Bevington will confer with Arcadia officials on the project.

an evening. Reservations may be made through Mrs. Frank Tomkins, 1130 Singing Wood Dr., Arcadia, Calif., phone EL 6-1351.

Make your checks payable to the Poothill Hollywood Bowl Committee, include the number of tickets desired, bus reservations, and your return address.

BUSES WILL leave from back of the Arcadia Music Mart on Huntington Dr. promptly at 6:30 p.m. on Friday, July 20. This will give you plenty of time to get there and have your dinner before the 8:30 curtain time. Final day for reservations will be July 5.

For added fun, why not get a group together and we will charter individual buses to come to your area. You need to have from 41 people on the small bus to 53 on the large bus. Mrs. Tomkins will be glad to arrange this for you if you give her a call.

Grab your hat and picnic basket, and be away for an evening of fun. We'll see you at the Bowl!

decisions eventually worked out for our nation's welfare. The heavy responsibilities of the Presidency seem to have steadying and often inspiring effect on all our Presidents.

689 Use Pool In Single Day

First day of summer vacation marked a near record for pool attendance as 689 persons made use of the fine Sierra Madre Community Pool at Sierra Vista Park. It is evident with the end of the cold spell and school vacation occurring at the same time, pool use jumped 300 per cent.

If you enjoy vacationing rather than participating in sports, then treat yourself to some outstanding swimming when the swim team practices on Saturday morning, 9 to 12, or during the week, 5:30 to 6:30. The young people of Sierra Madre will amaze you with their energy and ability.

Teen Night at S.M. Pool

Tuesday evening, July 3, will be the evening of the next Teen Night of the Sierra Madre city pool in Sierra Vista Park. The pool will be open only to Sierra Madre teenagers from 13 through 19.

There will be dancing to records and refreshments will be served, at the usual price, by that jolly cotton candy maker, Bruce Lindsay.

Teen Nights are co-sponsored by the Youth Coordinating Council and Sierra Madre Recreation Department. Admission price to Teen Night is the same as any other time of public swimming. Those having family passes will be admitted free.

Santa Anita Plans Swimming Classes

Daily swim classes in beginning, intermediate and advance swim for girls and boys ages 4 to 12 years and women's swim class will begin July 2, for Session II, at 1915 S. Santa Anita.

Special classes in Red Cross, Junior and Senior Life Saving will be offered for the teen and adults. "Mother and Me" classes will again be scheduled for the "Tot" under 4 years old. Participants may enroll now by calling Hillcrest 7-7500 or at the YWCA office at 907 S. First Ave., Arcadia. This is a Community Chest Agency.

played Saturday, June 30, 9:30 a.m. at Heasley Field in Sierra Vista Park. It will be a contest between the Minor League All-Stars, managed by Bill Neely and coached by Paul Westman, and the pennant-winning Mounties, managed by Len Carnighan and coached by Joe Santanio. Snack booth will be open for business and Bill Bennett, secretary of Little League, will announce the game, using the new public address system donated by the Women's Auxiliary.

DUE TO AN unfortunate error in the Babe Ruth League scores and standings, the Highlander's Cardinals were reported to have won all eight of their games. Untrue—the Cards lost to the Senators, sponsored by Harry A. Lange and the Sierra Madre Fire Dept., on June 10. The score, Senators 12, Cardinals 8. This change leaves the Cardinals in first place with seven wins and one loss, and the Senators in second place with four wins and four losses.

There will be no Babe Ruth games in the week of July 4, but the play will resume Monday, July 9, at 5:30 p.m. All Babe Ruth games are played at Sierra Mesa school on week days, Monday through Thursday.

The Sierra Madre Baseball Association will have its regular monthly meeting Thursday, at 8 p.m. in the Youth Hut in Sierra Vista Park. All Minor League, Little League and Babe Ruth fathers are invited to attend. The Little League All-Stars will be picked and the tournament schedule will be revealed.

Clinton M. Mankin Called By Death

Clino Lee Mankin, 61, of 281 Ramona Ave., retired elevator operator, passed away suddenly at his home on June 23.

A Californian nine years and Sierra Madre resident six years, Mr. Mankin, formerly of Indianapolis, Ind., is survived by his wife, Mary F. Mankin; two sons, Clino L. Mankin Jr., and Keith A. Mankin, all of Sierra Madre; a brother, Earl Mankin of Zionsville, Ind.; a sister, Mrs. Gladys Bullington of Zionsville, and three grandchildren. Services were Tuesday at the Ripple Mortuary, with Dr. Robert Schaper of Bethany Church officiating. Interment in Live Oak Memorial Park, Monrovia.

Sierra Madre Zone Project Up July 19

The Planning Commission, at its regular meeting last Thursday night, set July 19 for a public hearing on the Jackson report proposal to extend the commercial zone on E. Sierra Madre Blvd. from Baldwin to Sierra Place.

No action was taken on the proposal to extend the commercial zoning on W. Sierra Madre Blvd. from Lima to Park Ave. The commission requested that a precise plan be submitted by the Jackson committee, following protests from W. Montecito property owners whose homes would back up to the proposed commercial zone.

The commission recommended to City Council denial of a conditional use permit allowing a new 20-bed nursing home and sanitarium south of Crest View Lodge on N. Baldwin.

Mrs. B. Baumback, the owner, proposes to use the old nursing home building for other purposes, but the commission decided that it was not suitable for a commercial zone.

'Freedom to Be Free' Is Church Topic

"The Freedom to Be Free" is the sermon subject at the 10:30 o'clock Sunday morning worship service on July 1 at Santa Anita Church of Religious Science, 226 W. Colorado Blvd., Arcadia.

Rev. Paul Featherstone, dedicated and successful pastor of the Vista Church of Religious Science, will be guest speaker. Rev. Featherstone has personally experienced the healing power of God through the daily application of spiritual principles. The public is cordially invited to hear his inspiring message. Child care is available.

Junior Church will convene at 10:30 a.m. with graded classes for children from pre-school through junior high school. A Youth Activity is held Sunday night at 7:30 o'clock for high school and college groups.

STELLA TERRILL MANN will speak at the church Friday, July 6, at 8 p.m. Her subject is "How to Overcome Your Fears," based on her latest book. Mrs. Mann, noted lecturer and author of books on spiritual power, has many friends in this area who have been helped to experience greater livingness through her books. The public is cordially invited. A free-will offering will be taken.

Rev. Rosalie Fowler conducts a healing service every Wednesday morning at 10:30 o'clock in the sanctuary. Dial-For-Prayer, HL 7-6162.

Alfred Herald, associate executive director and director of education, south, for the California Council on Alcohol Problems, will share in the services at the Congregational Church this Sunday, July 1. The Council on Alcohol Problems is the agency through which Christian principles are applied to alcohol problems.

Rev. Herald is an alumnus of the 1960 Yale School of Alcohol Studies. His responsibilities with the Council take him into junior and senior high schools of Southern California where he speaks as often as six times a day.

Rev. George Lindsay, pastor, will preach on "We, Thy People" this Sunday.

REV. THOMAS J. O'MALLEY, pastor of St. Rita's Church, bestows diplomas upon Richard D. Loel and Mary Sidenfaden at the recent St. Rita's School graduation exercises.

Shepherd of Hills Plans Family Worship Service

A "family worship" begins for the summer months at Shepherd of the Hills Lutheran Church Sunday, July 1. The idea enables families to go to church together, for the 9 a.m. Sunday School will be recessed during July, August and the first two September Sundays.

Bethany Notes

Bethany Church of Sierra Madre is making two major changes in their schedule of services beginning July 3. On this date the church will hold only one morning service at 11 a.m. rather than the two services which have been held during the school year.

Reason for this change is the increased vacationing activity of the congregation thereby making it possible for the sanctuary to seat all worshippers in one service. This change will continue.

Almost 300 children and workers have been attending the Vacation Bible School conducted by Bethany Church of Sierra Madre the past two weeks.

The school closes on Friday, June 29 with a program at 9:30 a.m. to be held in the church sanctuary. All friends and relatives are invited to attend this special program.

Special missionary speakers during the two week school have included, Mrs. Hildegard Mitchell of Japan, Mrs. Marjorie Stiles of Manila, Philippines, and Rev. Hugh S. Bell Jr., of Sierra Madre, who, with his father, works at Mission Aides, a missionary organization designed to help missionaries tell the gospel story through recordings.

Boys and girls have been constructing handcraft items and working with Bible workbooks in their individual classrooms. Almost 15 high school young people assist in various ways in making the school a joy to all the children who attend.

BETHANY CHURCH of Sierra Madre takes pleasure in announcing Rev. Joe Blinco, formerly of London, England, and now of Oklahoma City, Okla., will be speaking nightly during the week of July 22 to the 27.

Rev. Blinco is an associate evangelist with the internationally known, Billy Graham. Rev. Blinco has preached to crowds of more than 15,000 people around the world.

He will come to Bethany Church directly from the Billy Graham Crusade in Fresno which is being held in Mid-July for residents of the San Joaquin Valley.

It is possible that the concluding service on Friday night will be a cooperative effort of other churches in the Pasadena Area and will be held in some larger auditorium. Further announcements will be forthcoming. Rev. Blinco also will speak every morning to the men of the community at 6:45 a.m.

The "Seven-Up" and "Upper Ten" clubs at Bethany Church will begin their summer activities this week. The "Seven-Up" Club, for junior high young people will go on a miniature golf trip on Friday, with Bill and Maury Wiegell of Arcadia as escorts.

The "Upper Ten" will participate in a soft ball game activity with Elwood and Irene Guyer as escorts.

These summer clubs are planned to bring together the young people in a wholesome social atmosphere.

2nd Sermon of Series by Armin Hesse

Continuing the series of summer sermons on "We Go to the Mountains," the Rev. Armin Hesse will speak on "The Mountain of Sacrifice" in the 8 and 10:30 o'clock Sunday morning services at Faith Lutheran Church, 835 Hastings Ranch Dr.

"The conducted tour to famous mountains mentioned in the Old Testament scriptures will take the Sunday worshippers to Mount Moriah," states the clergyman.

The 9:15 a.m. Sunday School session will consider the scriptural account of "How the World Was Made." Supt. Marcus Silvera will present the attendance awards for the second quarter of the year during the opening exercises.

ON SUNDAY afternoon at 2 o'clock, the young people of the church will join the Walther Leaguers of eight churches in a zone picnic at the Arcadia Park. Leaguers are asked to be at the church grounds at 1:30 for transportation.

On Sunday afternoon at 3:30, Rev. Armin Hesse will be the speaker in the installation ceremony of Rev. Roy Gesch as pastor of Hope Lutheran Church, 10327 S. Valley Home in Whittier. Rev. Gesch has come to the Whittier parish from Trinity Lutheran Church in Waiawa Oahu, Hawaii.

Darrel Clardy Is Davis Frosh

Darrell O. Clardy of Sierra Madre has been admitted to the University of California, Davis, for the fall semester, announces Registrar Howard B. Shontz.

Clardy, the son of Mr. and Mrs. Harold B. Clardy of 541 W. Orange Grove, Sierra Madre, is a 1962 graduate of Pasadena High School. He plans to major in agronomy.

Rabbi Angel Back From Conference

Rabbi Camillus Angel, D.D., will conduct Sabbath services at Temple Beth David of the San Gabriel Valley on Friday at 8:30 p.m. He will report on the annual meeting of the Central Conference of the American Rabbis which he attended in Minneapolis, Minn., during the week of June 16.

The Temple Choir will participate with Mrs. Charles Lich of 710 Encino Dr., Arcadia, at the organ. Mrs. Jack Blumberg of 606 N. Marguerita Ave., Alhambra, will read the Invocation and recite the Blessing of the Lights.
